Dave --

Angela and I are talking about our anticipated action and thought it would be good for me to both close the loop with you and pass the baton to Angela since she will be signing.

What I want to make sure that we have, as you and I discussed, is a shared desk statement with Ecology.

Angela also will plan to call Jeff D. to confirm when we have taken the action and let him know how we intend to communicate about it.

Big thanks to everybody for the push to the finish, especially the extra focus by Miranda and Leah.
